

## Girls' dress code

On days when lessons ('hashes') are taking place, all boys and girls must wear full School uniform from the time they leave their House in the morning until the end of timetabled lessons for that day. School uniform (or, sometimes, for boys, a formal suit) is also specified for Chapel, lectures, concerts, plays and some other occasions.

Girls and boys may wear coats over their blazers or jackets, but not instead of them. Coats or waterproofs should be plain navy blue, dark grey or black, and longer than the jacket or blazer underneath. They must be conventional and formal in style, without overt branding. Casual coats such as puffer jackets, parkas with fur-trimmed hoods or similar are not allowed during the School's formal business.

At other times, girls and boys may wear their own informal clothes, but these must not be scruffy, damaged, ostentatious or revealing. All clothing (both uniform and casual clothes) must be name-taped, smart, clean, in good repair, tidy and appropriate for a school environment.

Girls' hair must not be dyed or bleached so that it looks unnatural. It should be clean, neat, and worn in a tidy, appropriate style.

Make-up should be kept to a minimum. Any make-up used should be natural (for example, dark eye make-up or lipstick are unacceptable). Only clear nail polish may be worn.

Jewellery should be discreet. Earrings — either sleeper studs or small gold or silver hoops — should be matching. Only one should be worn in each ear, and they should be worn only in the lobe. A watch may be worn and one plain ring. One thin silver or gold necklace and / or bracelet is allowed, but other jewellery (such as a choker) is not acceptable.
